Husky Homestead is widely heralded as an authentic look into rural lifestyles based on 40 years of Alaskan adventures:

from freight hauling on Denali to crossing the finish line in Nome with a champion Iditarod team. Snuggle up with a puppy or two upon arrival and then experience an amazing view of our Alaskan Huskies as the team explodes from the dog yard and runs on our treadmill before hitting the trail for a training run. Get a behind-the-scenes look at what goes into creating a championship team and carving a life in Alaska's Interior. Hear compelling stories from the trail and see actual racing sleds, arctic survival gear, and equipment used to traverse 1100 miles of Alaska's most rugged terrain.
